Mordialloc Sailing Club

Visitor Information - Club Facilities

Welcome to Mordialloc Sailing Club. The club has a complete range of facilities that are unrivalled by other OTB clubs around the bay. Other clubs may claim better rigging areas or better club rooms, but none can offer such a comprehensive range of well maintained and easily accessible amenities. The ground level entry provides easy access for the disabled.

Access and Car Parking

The club has a members' private entrance that ensures easy and uncluttered access to a parking and rigging area free of other traffic. Parking for 100 – 120 cars and trailers is available at the club. This whole area is secured, in the sense that the private lane controlled by the club is the primary access to the club locale. No parking fees are applicable. Overflow parking requirements are met by adequate public parking within walking distance of the club.

Club Rooms

The club has two large areas for entertaining. One, the lower deck wet area allows sailors to enter the club and obtain both food and drink before changing. The other area, the upper deck, is carpeted. Both areas have ample tables and chairs that provide seating for in excess of 120 people. This area also provides excellent viewing of the racing with its large windows and external raised sun deck. The club rooms are centrally heated in winter and cooled by ceiling fans in summer.

The club has a good kitchen and modern bar facilities with a restricted club license. Social functions can adequately cater for in excess of 150 people.

The club canteen provides sailors with an extensive selection of take away foods at very reasonable prices.

Meeting and protest facilities are catered for in the Committee room/Regatta Office.

A sundeck adjacent to the tower provides great viewing over the race course area.

Boat Rigging

The club has the benefit of large rigging areas. Sailors may choose to rig their boats on expansive grassed areas or on the beach itself. Access to the beach is via a double width concrete ramp.

Boat Storage

During titles and regattas, boats should be stored on the grass or beach in front of the club rooms. While flood lights will be left on at night, the use of boat covers is recommended. Storage compound facilities are limited and are restricted to visiting rescue craft and Rhibs.

Regatta Notice Board & Signals Made Ashore

The Regatta Notice Board is located on the "lower deck" of the club rooms. All Progressive Results and regatta notices will be posted on this board and on the inside of the club room windows. Signals made ashore will be displayed on the mast attached to the sun deck at the southern corner of the club.

Results & Internet Access

All results may also be viewed on the MSC website (www.mordiallocsc.com.au) and nominated internet sites. Free WiFi is available for use by all competitors.

Chute Street Mordialloc (into Mordialloc Creek)

Viewing of major titles can be arranged from large commercial fishing boats, or can be done from Mordialloc Pier.

Public Transport:

Mordialloc Railway Station is located in the middle of the shopping centre. Trains are available to Frankston or Melbourne. Telephone 13 16 38 for timetable information.

Taxis – arrange to meet them in front of Doyle’s Bridge Hotel (as they are reluctant to come to the foreshore). Telephone 13 22 27 or 13 19 24.

Shopping:

Southland Shopping Centre is located in Cheltenham (approx 6km) and is a major facility which includes Myers, David Jones, K Mart, Target, Big W, Coles and many specialty stores and restaurants. It also contains 10 Village Cinemas including Europa & Gold Class.

Summary

Sailing at Mordialloc is supported by some of the best facilities to be found on Port Phillip. It is backed by a Sailing Committee that is committed to conducting events in a thoroughly professional and competent manner. The club is supported by members with years of sailing and sailing administration experience.

For further details please speak to any Executive Committee member, The Principal Race Officer or other MSC members.

Club Location: Enter the foreshore via the lane at 12A Bowman St Mordialloc
