Simply the best ...
Family Club on the Bay

Dear Member,

Welcome to the new sailing season. If you follow this link on our website:

<http://www.mordiallocsc.com.au/about/membership/> you will find our Membership Handbook that contains useful information about the operation of your club.

Mordialloc Sailing Club is committed to making MSC a place where children and young people can enjoy sailing in an environment in which their safety and wellbeing are paramount.

As a part of this commitment, we are asking every member to include their Working with Children card number and expiry date on their membership renewal.

If you do not have a WWCC, you can apply online at: <https://www.workingwithchildren.vic.gov.au/> free for all club members/volunteers. When your card is issued, please advise the club secretary.

Volunteering

As a volunteer club we rely heavily on members to make the sailing and non-sailing activities possible each week. We are lucky that many of our volunteers are regular contributors but please don't take this for granted. Please volunteer when and where you can as often it is a struggle for us to provide the high service level that you may have become used to.

The club environment can offer much in the way of personal development, if you are savvy with social media or IT, lend a hand, or if you want to learn to make a coffee or get behind the bar just say so, we invite you to contribute in any way you can. If you see any opportunities to improve the general running of the club, please contact the commodore or executive committee members.

Club Website

The club website also contains a vast array of information including sailing results and access to the club weather station and web cam. This is a valuable resource that we encourage you to access www.mordiallocsc.com.au

Social Media

Facebook and Instagram are both used as a source of communications to members and the public. Please like, share and follow us as this helps to promote the club.

Club eMail

The club uses mailchimp to send a weekly communication to members about current events and upcoming activities. Please check your spam/promotion folders to make sure you are receiving these important emails. If you do not, please contact the Membership Secretary to have your name added to the distribution list.

The attachment in the following pages outlines the information relative to the club's key personal and activities for the coming season.

We do hope you enjoy this season at MSC. If you have any issues regarding club activities or facilities, please feel free to speak to any executive member. Remember, it is your club, so please use it.

Yours sincerely

Garry Hosie
